

Magellan® CrossoverGPS™

All-in-One Portable Navigation

Turn it on and go™

Versatile•Powerful•Robust

Unique CrossoverGPS™

The Magellan CrossoverGPS is the perfect multi-application device in a compact intelligent and waterproof (IPX4) design. It is featured for auto navigation as well as outdoor and marine activities. Just change the SD-Card plugged into your device to switch from car navigation to outdoor activities. Being a perfect travel companion, it also includes an integrated MP3 player and a picture viewer.

Outdoor ready

The Magellan CrossoverGPS includes outdoor and marine features to make it the perfect navigation solution for all your adventures. Rugged and waterproof, it is compatible with all MapSend® certified maps on SD-Card including Topo maps and BlueNav™ Marine charts.

Traffic upgradeable

With TrafficKit™ RDS/TMC Receiver, receive live and free traffic information across Europe and/or subscribe to Premium service in Great Britain and France.

Compact, Powerful and Waterproof

- Waterproof to IPX-4 Standard for outdoor use.
- Best-in-class integrated battery offering up to 8 hours of use.
- Sleek, intelligent design with full colour bright touchscreen.

From the creators of **Hertz NEVERLOST**® **

** Features, functions and performance of the Magellan CrossoverGPS are not identical to the Hertz NeverLost®.

Product Features

Pre-loaded street maps on SD-Cards from NAVTEQ™ (Q2 2006 data):
